

Notice of Open House

TVA to Hold Public Open House on Cumberland Fossil Plant

The Tennessee Valley Authority (TVA) will hold a public open house in Stewart County on plans and projects at the Cumberland Fossil Plant, including an update on an ongoing environmental investigation at the site.

Tuesday, December 10

5 p.m. to 7 p.m. CST

Cumberland City Fire Hall
402 Thomas Ave.
Cumberland City, Tennessee

TVA staff will be available to answer questions and discuss a variety of topics related to the Cumberland site, including environmental investigations and options for the future of coal ash and other coal combustion residuals at the site.
